TRANSFORM - IT BAGS™

Low Cost, Innovative, customizable and a great marketing tool.

Design Patented.

Why is it called a Transform-It Bag™?

The Transform-It Bag has a built in bag that serves as a storage component for the bag itself. For example, at first glance the below is a Team/Company Mascot, Sports Jersey or Soccer Ball, however, if you pull the contents out, it transforms into a useful and functional bag.

These are all Transform-It® Bags

Challenge us with
your design.
